## Tutoring Experience

With over 7 years of tutoring experience, I have helped students excel in IB, A-Level, and IGCSE Maths, ensuring they understand complex topics and perform confidently in their exams. I've worked with learners from diverse academic backgrounds, tailoring my lessons to meet individual needs and goals.

In addition to IB and A-Level, I have guided numerous students through SAT Math preparation, offering personalized strategies and practice sessions. My approach ensures students build strong foundational skills while mastering the advanced topics required for high scores. It's been rewarding to see my students achieve their academic dreams through hard work and determination.
