Tutoring Experience

I have spent over a decade teaching English in international schools, specialising in IB and IGCSE English. My experience includes working closely with students preparing for external assessments and coursework, guiding them through the complexities of literary analysis and exam techniques. Many of my students have achieved top scores in their exams, progressing to prestigious universities.

In addition to IB English, I also offer support for GCSE and IGCSE English, tailoring lessons to each student's needs. Through one-on-one sessions, I've helped students improve their critical reading and writing skills, fostering a deeper understanding of literature. My goal is to help students excel academically while building a lifelong appreciation for the subject.
