Harvard University: MSc in Biology (2018–2020) of Chicago

Stanford University: BSc in Molecular Biology (2014–2018)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 5 years, I have worked with students from diverse backgrounds, focusing on IB and A-Level Biology. My goal is to help students build a deep understanding of biological concepts, preparing them for academic success and future scientific studies. Many of my students have achieved top scores in their exams, progressing to higher education.
