Tutoring Experience

With over 10 years of tutoring experience, I have worked with students from leading schools in Singapore, Dubai, and Europe, helping them excel in IB Economics and A-Level Economics. I take pride in offering tailored tutoring sessions that cater to each student's unique learning style and academic needs.

I've also guided students through their internal assessments and exam preparations, ensuring they are well-prepared and confident in tackling both theory and application-based questions. My focus is on helping students understand core economic concepts while developing effective study strategies that set them up for success.
