## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

With over five years of tutoring experience, I have supported students from a wide variety of backgrounds in mastering the fundamentals of IB Physics, A-Level Physics, and AP Physics. I've helped students improve their understanding of both core and advanced topics, providing tailored support for internal assessments and final exams.

Additionally, I have worked with students preparing for university admissions, helping them build strong foundations in physics and related subjects. Whether working through challenging coursework or preparing for exams, I am dedicated to ensuring each student reaches their academic potential.
